

ROUTE TO SUCCESS

James Cooper

Account Manager

Experienced hands on training in all aspects of the company from service & repair to client relations. was able to gain knowledge of the different product lines we represent & the overall workflow of the customers.

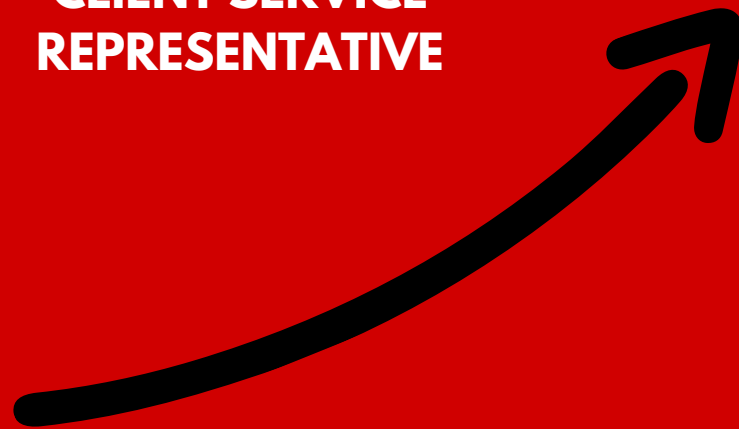

Carried out customer communications for large accounts by promoting products, supporting vendors and entering orders.

Manages territory accounts and supports customers with all of their fluid power needs.

INTERN

CLIENT SERVICE REPRESENTATIVE

ACCOUNT MANAGER

"The thing that makes it most fun is that you could have something planned for one day but never know what will actually happen. One phone call can completely change your entire day, month or even year." - James Cooper
