## HOSE & COUPLINGS MANUFACTURERS REPRESENTED

- International conversion adapters

- SAE hydraulic flange fittings
- Hydraulic ball valves
- Hydraulic check valves
- Suction/Return adapters
- Weld couplings

- Pipe, hose, & tubing clamps

- Hydraulic adapters
- Instrumentation fittings
- Push-to-connect fittings

- Hydraulic, pneumatic, & high pressure hose reels

- Reservoir accessories
- SAE port flanges
- Ball valves

The Right Connection™

- Full range of industrial fittings
- Quick disconnects
- Hammer union adapters
- Pipe, weld, & tube fittings
- Sanitary fittings
- Pneumatic fittings & accessories

The reel leader.

- Hydraulic, pneumatic, industrial, & high pressure hose reels

Powering Business Worldwide

- Hydraulic hose & fittings
- Hydraulic & pneumatic adapters
- Industrial hose
- Stainless steel Teflon hose
- Thermoplastic hose
- Quick disconnects
- Aeroquip, Everflex, Synflex, Hansen, Boston

- Metal hose

- Hydraulic measuring & data collection instruments
- Test points
- Sensors

- Industrial hose
- Thermoplastic hose
- Industrial fittings
- Sewer & jetting hose

DIRECTING THE FLOW OF Quality

- Stainless steel ANSI flanges
- Stainless steel low pressure fittings
- Stainless steel & brass ball valves
- Pipe & tubing

- Industrial Hose
- Dry disconnect couplings
- Ducting
- Composite hose

- Hydraulic quick disconnects
- Multi-coupling plates
- Check valves

- Hose, tube, & pipe cleaning systems

## CREATING VALUE FOR OUR CUSTOMERS

- Hose & Adapter Kitting
- 10" Crimp Capabilities
- Custom Hose Tagging

- ISO Cleanliness Standards
- On-site Evaluations
- Walk-up Service

- Hose Assembly
- Pressure Testing
- Extensive Inventory

## CRIMPER PROGRAM

Our Hose & Couplings service is your complete source for every one of your Hydraulic Hose needs. We pride ourselves on ensuring all assemblies are built to meet the highest standards. We ensure quality, accuracy, and on-time delivery. Interested in learning about our crimper program featuring Eaton Aeroquip? Hydraquip will loan with agreement a Hydraulic Hose Crimp Machine that you can use at no cost.

- Use of a new or completely refurbished machine without a big investment.
- Only have to purchase hose & fitting inventory.
- Reduce downtime by producing hydraulic hose assemblies on-site.
- Hydraquip has over \$4M of hose & fittings inventory ready for purchase.

Contact us at [info@hydraquip.com](mailto:info@hydraquip.com) so we can walk you through the process.
