

Flint Hydraulics Product Line Card

Danfoss Power Solutions

Open & closed circuit products, directional, proportional, servo, pressure, flow control valves, LSHT motors, Danfoss PLUS+1

Accumulators, Inc.

Bladder, piston & diaphragm accumulators

Daman

Standard & custom hydraulic manifolds

Emmegi

Heat exchangers

Geartek

Gear pumps, motors, specialty engineered units

Hydro Leduc

Fixed displacement piston pumps & motors

Hydrotechnik

Pressure test points, gauges, transducers, transmitters, flow meters, datalogging kits

JARP

Custom cylinders, severe duty applications

KYB Hydrostar

LSHT radial piston motors

Permco

Pumps, motors

Poclain Hydraulics

LSHT hydraulic motors, axial piston pumps & motors, brake products, valves

Rotary Power

Radial piston motors

Schroeder Industries

Hydraulic & lube oil filters, filter elements & systems, diesel fuel filtration

SAI

Low speed high torque motors

Staffa by Kawasaki

LSHT radial piston motors

Torque Hub (Fairfield)

Planetary wheel, spindle & shaft output final drives, mobile & industrial gearboxes

Voith

Drives & transmissions, braking systems, connection components

Wandfluh of America

Screw-in cartridge valves, proportional valves

Delaware Manufacturing Industries Corporation (DMIC)

Ball valves, flow controls, needle valves, standard & custom port

Regal Rexnord (Durst)

Pump drives, bevel drives, gearboxes, worm drives

MiniBooster

Hydraulic pressure intensifiers

Rineer

High Torque Vane Motors

Fluid Conveyance

Aeroquip by Danfoss

Hose & fittings, hose kits, quick-disconnects

Brennan

Hydraulic adapters & fittings

Anchor Fluid Power

Hydraulic flange fittings, hydraulic ball & check valves

Stucchi

Flat face, multi-port, threaded & specialty couplers

Electric

Danfoss Drives

Vacon, VLT & DrivePro variable frequency drives

HBC Radiomatic

Radio remote controls

Danfoss Editron

Electric converters & motors

Wandfluh of America

Amplifiers, controllers, programmable electronics
